Dear Sir

Sub: Regarding Completion of Erection and Handover of the lift erected at Lotus School.

We are pleased to inform you that the installation of subject lift at Lotus School, is completed and we are handing over the same on 29/02/2024. Free maintenance period will be started from this date and will be completed as per period mentioned in our agreement.

Your Lift Specifications are: - 8 Pass, G+3, SS Auto door, Passengers Lift

During the free maintenance period, Epic Elevators will carry out examinations of the elevator which cover cleaning, oiling and periodic checking of vital parts such as controller, motor, machine, guides, bearing, etc. to carry out necessary minor adjustments and/or repairs or replace of worn-out parts, if necessary.

If you require, Security person & maintenance person at your project site can be trained for handling rescue operation in case of any emergency.

We hope that you will find the above details in order & request you to keep this letter as confirmation of your acceptance.

Kindly Note:

1. This elevator requires stable, uninterrupted power supply with proper earth & neutral. Request you to operate the lifts with stable & permanent power supply only as any damages and electronic components failure etc. due to improper power are not covered under free replacement.
2. S.S Door Plastic Coating should be allowed to remove within 1 month else the same will stick to panel and difficult to remove and will leave spots of gum on panel when try to remove at later stage.
3. All LOP / Fireman/ Indicators / Intercom fixing work, if remove on your request, should be allowed to reinstalled within 1 Month. After 1 Month Epic elevators will carry out the same with extra cost for the same as our installation team left the site.
4. This Handover is subject to realization of final payment Cheque but free maintenance period is deemed to be started from above mentioned date.
5. We request you to use the said lift with working license (if applicable) of the lift to be obtained from The Chief Inspector of Lifts and Escalators.

For maintenance of the lift please contact on: Toll free no - 18001236161
